

STATEMENT SUMMARIZING INTERVIEWS

This Supplemental Amendment is further to the Amendment dated January 28, 2011. Claims 1, 3, 4, 7, 9 and 10 to 12 are pending in the application. Claims 1, 7, 9 and 10 to 12 are the independent claims.

Applicants and their undersigned attorney thank Examiner Riley for his courtesies and thoughtful treatment afforded during two interviews conducted by telephone on February 17, 2011 and March 3, 2011. During the interview on March 3, 2011, the Patent Office was also represented by Supervisory Examiner Chan Park. Applicants' Statement of the substance of the interviews follows.

During the interview on March 3, 2011, the Examiners agreed that the claims submitted in the Amendment dated January 28, 2011 overcome the applied art. Notwithstanding the above, Examiner Riley requested further amendments, to specify "levels" of information instead of "ranges". In keeping with this request, independent Claims 1, 7, 9 and 10 to 12 have been amended as discussed at the interview.

In light of the foregoing amendments and remarks, the entire application is believed to be in condition for allowance, and such action is courteously solicited.
